

December 2022 Newsletter

We hope that all of you are well and enjoying the holiday season that seemed to come upon us far too quickly. Hopefully the weather will cooperate for all of you who travel to see family and friends. Hopefully you can all dodge Covid, the flu, and RSV and stay healthy.

JBHSAA UPDATE

You may have noticed that you recently received more than one newsletter from us. We apologize if you felt like you were on JBHSAA newsletter overload. We are exploring ways to save money and to move to our own website as many high school alumni associations do. We are experimenting with a number of options. The reason we sent out a second newsletter was to see what our open rate would be if we made a transition. We also decided to run our holiday campaign off our own site. For the first time in three years you received an email

from Constant Contact with our holiday campaign. It is totally legit and it is our hope that you will continue to support us.

The Redding/Easton community now belongs to MYSCHOOLBUCKS and many other organizations at the high school use them for their fundraising. The benefit is that we get the money as soon as it has been processed. There will continue to be other options for donating.

As with everything, this is a work in progress as we explore and discuss what works best for us as we move forward. No decision has been made. Most importantly, whatever is decided, little will change on your end with the exception of the fact that we be redirecting you to our own website.

As an alumni association, we are finally in a good place, have surely made a difference and, most of all, have kept you all connected. Our goal was to bring everyone together and support future Joel Barlow students. We are doing all that and more.

We are grateful to all who have contributed to the success of the JBHSAA. Without your support, we would not be celebrating eleven wonderful years. We look forward to many more years of connecting with you and as always, we welcome all your news.

THANK YOU FOR ANOTHER GREAT YEAR. THANK YOU FOR ALL YOUR SUPPORT, AND THANK YOU FOR JOINING THE JBHSAA.

Our very best wishes to all for a safe, healthy, and happy holiday season.
